

AnalyseTS Stock Watchlist Report

Run: 2026-08-03 15:56:57

Digest source: ChatGPT (web)

Market Digest

* **Today:** Overall mood was bullish with **6** stocks rising and **4** falling, showing gains outnumbered declines despite a few sharp losses. Biggest gain was **GOOGL +6.73%** at **356.13**, while the biggest drop was **AAPL -7.35%** at **308.91**.

* **Sectors:** Technology was mixed, with **GOOGL +6.73%** and **MSFT +3.02%** offset by **AAPL -7.35%**, while Data Analytics, Entertainment/Electronics, and the ETF category all finished higher. Semiconductors lagged overall as both tracked names ended lower.

* **Standouts:** **GOOGL +6.73%** was the strongest percentage gainer, finishing **3.71 percentage points** ahead of the next-largest gain, **MSFT +3.02%**. That made it the clearest upside outlier in today's watchlist.

* **Dollar moves:** The largest dollar gain was GOOGL (+22.47), while the largest dollar fall was MU (-51.63); the biggest dollar loss was different from the biggest percentage loss because **AAPL -7.35%** had the largest percentage decline.

* **Quiet names:** **PLTR +0.65%** and **VOO +0.71%** moved the least, making them the most stable names in the watchlist today.

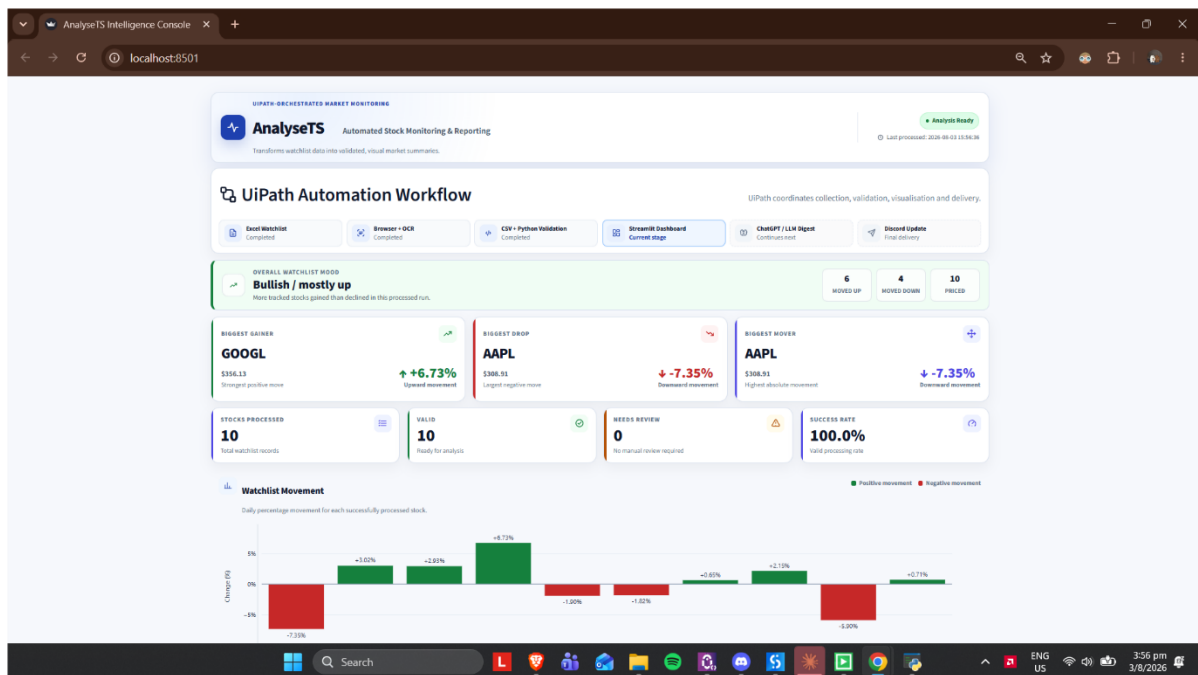

* **Data quality:** Valid data was returned for **10 of 10** stocks processed. No stocks were excluded.
